

# Inauguration of Tiruchirappalli International Airport

Tiruchirappalli International Airport stands as an exemplar of architectural prowess. The inauguration of the airport by the Hon'ble Prime Minister Shri Narendra Modi on 2<sup>nd</sup> Jan 2024, showcases an enchanting lighting system orchestrated by Instapower Ltd., transforming it into a dynamic visual marvel. Drawing inspiration from the grandeur of Gopuram's in South Indian temples, the airport's design pays homage to the rich historical movement that has profoundly influenced the region. Nestled in the culturally vibrant city of Tiruchirappalli, renowned for its temples and historical significance, the airport's perpetually evolving thematic illumination splendidly complements its distinctive architecture.

Instapower Ltd., feels humbled to be part of this magnificent project in lighting the iconic international airport.
