

Inauguration of Maharishi Valmiki International Airport, Ayodhya Dham

The Maryada Purushottam Shri Ram International Airport is now officially recognized as Maharishi Valmiki International Airport Ayodhya Dham. It's an architectural marvel with theme based dynamic lighting executed by Instapower. Hon'ble Prime Minister Shri Narendra Modi inaugurated on 30th December 2023. This transformative lighting system will illuminate the airport with ever-changing themes, complementing the unique design inspired by the Nagara style of temple architecture.

Ayodhya, is a historical city on the banks of Sarayu river in India and the birth place of Lord Shri Ram. It is very famous for temples and a renowned religious city in India.
